

**EMBO Conference on the Molecular and Cellular Basis of  
Regeneration and Tissue Repair**  
Provisional Programme

**Sunday 26<sup>th</sup> September 2010**

19:00 Registration, welcome drinks and putting up posters.  
20:45 Welcome address by conference organisers  
21:00 Keynote Speaker: Jeremy Brockes University College London, UK

**Monday 27<sup>th</sup> September 2010**

*Day 1: Epithelial stem cells, wound healing & signalling during regeneration*

08:30 Fiona Watt University of Cambridge, UK  
09:10 Paul Martin Bristol University, UK  
09:50 Selected speaker 1  
10:10 Coffee Break  
10:40 Brigitte Galliot University of Geneva, Switzerland

20:00 Selected Speaker 6  
20:20 Session End

## **Tuesday 28<sup>th</sup> September 2010**

### *Day 2: Muscle satellite cells and molecular mechanisms of regeneration*

08:30	Michael Rudnicki	Ottawa Hospital Research Institute, Canada
09:10	Eileen Furlong	EMBL Heidelberg, Germany
09:50	Selected speaker 7	
10:10	Coffee Break	
10:40	Elly Tanaka	Center for Regenerative Therapies, Germany
11:20	Margaret Buckingham	Pasteur Institute, France
12:00	Selected speaker 8	
12:20	Lunch with round table discussion	
14:00	Excursion	
16:30	Randall Moon	University of Washington, USA
17:10	Karen Echeverri	Center for Regenerative Therapies, Germany
17:50	Selected speaker 9	
18:10	Coffee Break	
18:40	Koji Tamura	Tohoku University, Japan
19:20	Selected speaker 10	
20:00	Selected speaker 11	
20:20	Session End	

## Wednesday 29<sup>th</sup> September 2010

### *Day 3: Organ Regeneration*

08:10	Keynote Speaker: Brigid Hogan	Duke University, USA
09:10	Daniel Bachiller	CSIC, Mallorca, Spain
09:50	Selected speaker 12	
10:10	Coffee Break	
10:40	Anne Grapin-Botton	ISREC, Lausanne, Switzerland
11:20	Harry Heimberg	Vrije Universiteit Brussel, Belgium
12:00	Selected speaker 13	
12:20	Lunch	
14:00	Poster Session	
16:30	James Hudspeth	The Rockefeller University, USA
17:10	Anna Jazwinska	University of Fribourg, Switzerland
17:50	Coffee Break	
18:20	David Raible	University of Washington, USA
19:00	Didier Stainier	UCSF, USA
19:40	Session End	
20:00	Conference Dinner	

## **Thursday 30<sup>th</sup> September 2010**

*Day 4: Neural stem cells and regeneration of the nervous system*

09:00	Kiyo Agata	Kyoto University, Japan
09:40	Isabel Fariñas	Valencia University, Spain
10:20	Coffee Break	
11:00	Magdalena Götz	Helmholtz Center Munich, Germany
11:40	András Simon	Karolinska Institute, Sweden
12:20	Selected speaker 14	
12:40	Closing remarks by conference organisers
