

Halifax Hall of Residence Access and Arrival

Please use these travel directions in conjunction with the University Location Map.
Please contact us prior to your arrival if you require flat-floored access into the building.

By Air

Manchester, Leeds/Bradford and Nottingham East Midlands airports are all about an hour's travel time from Sheffield. Manchester Airport is served by many domestic and international carriers and has a direct rail link to Sheffield both day and night.

Both London airports (Heathrow and Gatwick) are reasonably accessible by rail with just one change of train. We recommend you to allow at least four hours travel time between either of these airports and Sheffield

Rail (Midland Station) or Coach (Transport Interchange)

These are adjoining termini.

The Hall may be reached by taxi or the 60 bus to Fulwood. The 60 bus departs from the Interchange and stops at the Railway Station. Alight on Fulwood Road, opposite the Holiday Inn Sheffield West Hotel. Turn left down Woodvale Road and left again into Endcliffe Vale Road (5 minutes walk). A taxi rank is outside the train station, the journey should cost about £5-10, depending on traffic.

By Car on the M1

Exit at Junction 33 and follow signs to Sheffield City Centre. This main route in to Sheffield is called the Parkway. At the end of the Parkway take the final exit on the large roundabout following the signposts to the University, on the A57 Glossop Road.

After passing through the main University area and Broomhill shops, continue on Fulwood Road. At the traffic lights where the road forks to Manchester Road, **take the left-hand lane onto Fulwood Road** until you see the Holiday Inn West Hotel on your right. Then turn left into Woodvale Road and left again into Endcliffe Vale Road, Halifax Hall is located approximately 300 metres on the left.

By Car from Manchester

Take the A57 (Snake Pass), which becomes the Manchester Road. Several hundred yards after the Crosspool Tavern public house, as the road bears left, turn right down Shore Lane. At the bottom turn right onto Fulwood Road & first left down Woodvale Road.

Turn left again into Endcliffe Vale Road; Halifax Hall is located approximately 300 metres on the left.

By Car from Derbyshire

On the A625, after 3 miles of suburbs, turn left at the Hunters Bar Roundabout after Endcliffe Park, and up Brocco Bank. Take the fourth turn left into Endcliffe Vale Road. Halifax Hall is located approximately 300 metres on the right.
