

cell sorting - analysis | therapeutic potential

symposium II friday, july 11th, 2008

- free admission -

Josef Unger | Olympus Life Science Research Europa
Cell sorting and single cell molecular analysis

Ger van Engh | Cytopeia, Seattle
Cell sorting for clinical applications

Dirk Busch | TU Munich
In vivo differentiation of single antigen-specific T cells

time & place

13:00 p.m. Paul Ehrlich lecture hall, Charité Campus Mitte

EMBO Practical Course on Advanced Cytometry and Cell Sorting 2008 | DRFZ
