POLO LIKE KINASES

from the

FLY TO THE CLINIC

20 years onwards

ORGANISERS

David GLOVER

Department of Genetics
University of Cambridge
United Kingdom
dmg25@hermes.cam.ac.uk

Rene MEDEMA

University Medical Center
Utrecht, The Netherlands
R.H.Medema@umcutrecht.nl

Erich NIGG

Max-Planck Institute for Biochemistry
Martinsried, Germany
nigg@biochem.mpg.de

Claudio SUNKEL

Instituto de Biologia Molecular e Celular
Universidade do Porto
Porto, Portugal
cesunkel@ibmc.up.pt

CO-SPONSORS

» This workshop aims to bring together experts on cell cycle and cell division in different model organisms that are actively working on the multiples functions of the POLO-like kinase protein family, so as to increase communication between them, and to propagate recent results and hypotheses, new methodologies, and new collaborations among scientists working on meiosis. «

SPEAKERS

Francis Barr
